Who Is Tim Bays?

- ◆ An engaging keynote and after-dinner speaker who uses songs to entertain and elevate audiences
- ◆ An accomplished entertainer who has shared billing with Sarah Vaughn, Meatloaf, Dr. John...
- ◆ A composer of motivational themes and jingles for GE, Monsanto, Sara Lee, McDonalds, Delta...
- ◆ A successful songwriter with recordings by Randy Travis, Peter Paul & Mary and much to his mother's embarrassment, Jerry Springer

Over the past 30 years **Tim Bays** has performed thousands of dates as a solo acoustic artist, written hundreds of songs for Sony Music in Nashville and recorded countless voiceovers for radio, television and film. He has appeared on TNN, PBS, CBS, CMT and in 2004 was featured in "A Wisdom Christmas – The Gift Of Song," on the Wisdom Channel, DISH Network.

What Does He Do?

With humor and insight, story and song, **Tim Bays** celebrates what his latest CD calls the "**Everyday Magic**" that surrounds us in our jobs, relationships and the natural world, magic that is available any time we slow down long enough to enjoy the show. Pointing out the extraordinary in the ordinary, he suggests that "**It's the rainbow, not where the rainbow ends**" and that the resources to lead happy, well-balanced lives are often sitting right in front of us.
